

## Dobi Rod Pendant

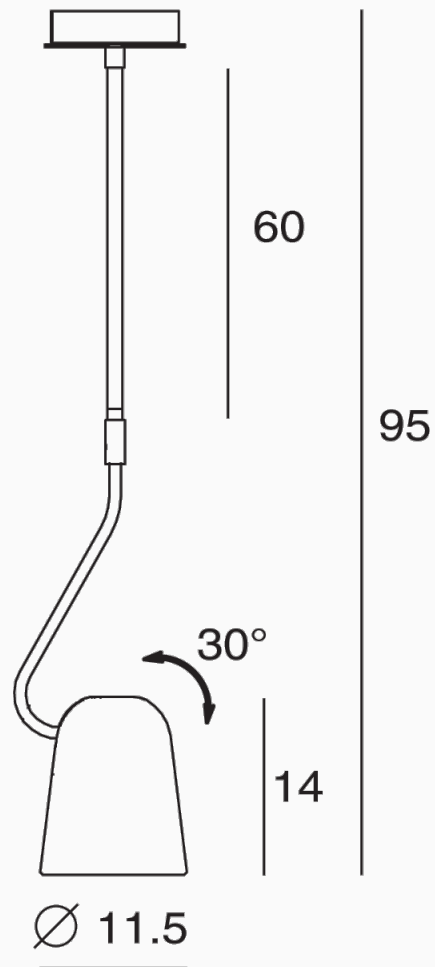

### Description

DOBI rod pendant by SEED Design is an extension of the DODO collection, a design inspired by the comical bird from Alice in wonderland. Like the DODO, the DOBI is equipped with dip switch, adjustable shade, and elongated dome shape which will soften a space. Unlike the standard DOBI pendant light, this version is supported by a fixed steel rod (60cm from canopy to shade base). Available in three finishes. Design by Chao-Cheng Chan.
