

STARNET 2 PENDANT

The Starnet Pendant is inspired by the starry night sky and is part of the evolution of Venetian glass tradition. Infinite mouth blown crystal wefts are gracefully held together with round metal nodes, allowing the grid of glass to produce a variable geometry. Design by Gianni Veneziano, Luciana di Virgilio & Team.

Measurements

Supplier Information

Supplier	VISTOSI
Designer	Veneziano+Team

Finishes

● Crystal / Black Nickel

General Specifications

Materials Mouth blown glass, metal

Lighting Specifications

IP Rating	IP20
Source	HALO
Lamp Base	1 x E27 77w Max
Dimmable	According to globe

Installation

Max Drop 120cm

Warranty

2yr commercial / 3yr residential. Replacement only.
